Attached to this report is a list of shipments made by the Soviet-controlled forwarding agency Juschuneschtrans, Wohllebengasse 8, Vienna IV, to Rumania between 29 October and 14 November 1953. Contemplated shipments, which were not moved during the reporting period, have been listed at the end without a date of shipment. Soviet-controlled Austrian firms involved in the shipments are indicated by the letters USA. The list does not necessarily include all of the Juschuneschtrans shipments to Rumania during this period but it is believed to cover the major part of them.
